7. No relation certificate in shape of affidavit in original shall be produced along with the tender paper without which the tender will be liable for rejection.

Contractor

Block Development Officer, Barkote

8. The tenderers while submitting tender shall furnish an affidavit along with the tender about the authenticity of the tender documents including E.M.D. The conditional tender will not be accepted on any circumstances by the authority.
9. The bidders shall carefully study the tentative specifications applicable to the contract and all documents which will form a part of the agreement to be entered into by the accepted bidder and detailed specification for Odisha and other relevant specifications which are available at <https://deogarh.odisha.gov.in/> . Complaint at a future date that specifications have not been seen by the bidders cannot be entertained.
10. The specification furnished with the bid are tentative and subject to revision or modification during the execution as per actual necessity. But the tendered rates quoted by the bidder will hold well in case of such modification and shall in no way invalidate the contract and no extra monetary compensation will be entertained. The work shall however be executed as per approved drawing to be issued by the Engineer-in-charge as and when required.
11. All rates should be for finished item of works mentioned in the tender schedules.
12. The bidder should quote the % percentage rates over the amount put to tender both in figure and words for the work.
13. Every bidder is expected before quoting his/her rates to inspect the proposed work site and should also inspect the quarries and approach roads to quarries and satisfy himself/herself about the quality and availability of materials. Complaints at future date that the availability of materials at quarries has been misjudged cannot be entertained.
14. The bidder may at his option quote reasonable % percentage rate for the work carefully during filled up so that it should not be unworkable during execution.
15. The bid containing the extraneous conditions not covered by the DTCN are liable for rejection and quotations should be strictly in accordance with the tender call notice. Any change in the wording will not be accepted.
16. **The authority reserves the right to reject any or all the bids received without assigning any reasons thereof.**
17. Bids not accompanied by required amount of E.M.D. or exemption order as per Works Department Memorandum NMo.288838, dt.18.12.95 will be summarily rejected. No E.M.D. will be accepted after closing hour of the tender.
18. The earnest money will be retained in the case of successful bidder and will be dealt with as per the terms and conditions of the O.P.W.D. Code and will not carry any interest. The earnest money of the un-successful bidders will be refunded on application after the bid is finally accepted.
19. The bid documents received after due date and time will not be entertained.
20. **NO RELATION CERTIFICATE:** - The bidder shall furnish a certificate along with

Contractor

Block Development Officer, Barkote

the tender to the effect that he/she is not related to any Officer in the rank of Asst. Executive Engineer, Under Secretary and above in Panchayatiraj & Drinking Water Department. The machineries, if available, with the department may be supplied on hire as per charges fixed by the Department.
48. The depth of foundation indicated on the drawing are provisional but these may be altered if necessary in the light of the nature of strata indicated by boring which must be taken in advance of actual execution of the foundation.
49. The stack of road metal and moorum will be measured in box heaps of 1.50 X 1.50 X 0.50 M which will be taken as 1.5 X 1.5 X 0.44 M = One Cum. The soling stone will be measured in the suitable stacks with deduction for voids @ $1/6^{\text{th}}$ of volume or more depending upon the looseness of stacking which would be determined on actual observation and deduction. No claim for carriage of water what so ever will be entertained.
50. It is the responsibility of the Contractor to procure and store explosive required for blasting operation, if any. The Department may render necessary possible help for procuring license.
51. Items of works not covered by the tender notice shall be paid at the current schedule of rates of the State and those not covered by the said schedule of rates will be paid on actual analysis approved by the Competent Authority.
52. On no account, the contract work should be sublet to any body without the prior approval of the Department. In such an event the Contract may be rescinded.
53. Dewatering from the foundation of bridges, culverts, buildings worksites etc. and watering for consolidation in roads embankments when and where necessary during execution will have to be done by the contractor and no extra payment will be made on that account.
54. Number of tests as specified in I.R.C./MORT & H/I.S.I. specification required for the construction of road/bridges/buildings or any other structural works will be conducted in any Govt. laboratories or reputed material testing laboratory as to be decided by the Engineer in-charge. Testing charges including expenditure for collection/transportation of samples/specimens etc. will be borne by the Contractor. The collection of samples and testing are to be conducted for both prior to execution as may be directed by the Engineer in-charge and on both the accounts the cost shall be borne by the Contractor.
55. **Any damages caused by natural calamities should be repaired by the Contractor at his own cost. The Department will not be any way responsible for the same and will not pay any cost towards the repair done by the Contractor.**
56. Over and above these conditions, the terms and conditions and rules and regulations and specifications as laid down in Odisha Detailed Standard Specification, Odisha P.W.D. Code, Bridge Code and MORT & H specifications with latest revision/ amendment are also binding on the part of the Contractor.

Contractor

Block Development Officer, Barkote

57. The contractor shall supply sample of all materials before procurement for the work for testing and acceptance as may be required by the Engineer in-charge.
58. The contractor has to arrange the land required for borrowing earth if necessary for the road work at his/her cost. No extra payment by the Department will be made on this account and no claim what so ever will be entertained on this ground. The rates quoted by the Contractor should be inclusive of all such charges.
59. The information furnished must be sufficient to show that the applicant is capable in all respects to successfully complete the envisaged work.

60. TIME CONTROL:-

A. Progress of work and Re-scheduling programme.

(i). The Executive Engineer / Engineer- in- Charge shall issue the letter of Acceptance to the successful contractor. The issue of the letter of acceptance shall be treated as closure of the Bid process and commencement of the contract.

(ii) Within 15 days of issue of the letter of acceptance, the contractor shall submit to the Engineer-in-Charge for approval a Programme commensurate to Clause no. B showing the general methods, arrangements, and timing for all the activities in the Works along with monthly cash flow forecast.

B. The Contractor shall submit a Bar Chart of the work before commencement of the Work.

(i). An update of the Programme shall be a programme showing the actual progress achieved on each activity and the effect of the progress achieved on the timing of the remaining work including any changes to the sequence of the activities

(ii). The Engineer-in-Charge's approval of the Programme shall not alter the Contractor's obligations. The Contractor may revise the Programme and submit it to the Engineer-in-Charge again at any time. A revised Programme is to show the effect of Variation and Compensation Events.

C. Extension of the Completion Date.

(i). The time allowed for execution of the works as specified in the Contract data shall be the essence of the Contract. The execution of the works shall commence from the 15th day or such time period as mentioned in letter of Award after the date on which the Authority shall issues written orders to commence the work or from the date of handing over of the site whichever is later. If the Contractor commits default in commencing the execution of the work as aforesaid, Corporation shall without prejudice to any other right or remedy available in law, be at liberty to forfeit the earnest money & performance guarantee / Security deposit absolutely.

(ii). As soon as possible after the Agreement is executed the Contractor shall submit the Time & Progress Chart for each milestone and get it approved by the **Block Development Officer, Barkote**. The Chart shall be prepared in direct relation to the time stated in the Contract documents for completion of items of the works. It shall indicate the forecast of the dates of commencement and completion of various trades of sections of the work and may be amended as necessary by agreement between the **Block Development Officer, Barkote** and the Contractor within the limitations of time imposed in the contract documents, and further to ensure good progress during the execution of the work, the contractor shall in all cases in

Contractor

Block Development Officer, Barkote

which the time allowed for any work, exceeds one month (save for special jobs for which a separate programme has been agreed upon) complete the work as per milestone given in contract data.

(iii). In case of delay occurred due to any of the reasons mentioned below, the Contractor shall immediately give notice thereof in writing to the Engineer-in-Charge but shall nevertheless use constantly his best endeavors to prevent or make good the delay and shall do all that may be reasonably required to the satisfaction of the Engineer-in-Charge to proceed with the works.

- a. Force majeure, or
- b. Abnormally bad weather, or
- c. Serious loss or damage by fire, or
- d. Civil commotion, local commotion of workmen, strike or lockout affecting any of the trades employed on the work, or.
- e. Delay on the part of other contractors or tradesmen engaged by Engineer-in-Charge in executing work not forming part of the Contract.
- f. In case a Variation is issued which makes it impossible for Completion to be achieved by the Intended Completion Date without the Contractor taking steps to accelerate the remaining work and which would cause the Contractor to incur additional cost, or
- g. Any other cause, which, in the absolute discretion of the authority mentioned, in Contract data is beyond the Contractors control.

(iv). Request for reschedule and extension of time, to be eligible for consideration, shall be made by the Contractor in writing within fourteen days of the happening of the event causing delay. The Contractor may also, if practicable, indicate in such a request the period for which extension is desired.

(v). In any such case a fair and reasonable extension of time for completion of work may be given. Such extension shall be communicated to the Contractor by the Engineer-in-Charge in writing, within 3 months of the date of receipt of such request. Non-application by the contractor for extension of time shall not be a bar for giving a fair and reasonable extension by the Engineer-in-Charge and this shall be binding on the contractor.

D. Compensation for Delay. Compensation @ 1% per month of for delay of work, delay to be computed on per Day basis. Provided always that the total amount of compensation for delay to be paid under this condition shall not exceed 10% of the Tendered Value of work.

E. Management Meetings.

(i). Either the Engineer or the Contractor may require the other to attend a management meeting. The business of a management meetings shall be to review the plans for remaining work and to deal with matters raised in accordance with the early warning procedure.

(ii). The Engineer shall record the business of management meetings and is to provide copies of his record to those attending the meeting and to the Employer. The responsibility of the parties for actions to be taken to be decided by the Engineer either at the management meeting or after the management meeting and stated in writing to all who attended the meeting.

61. Even qualified criteria are met; the bidders can be disqualified for the following reasons, if enquired by the Department.

Contractor

Block Development Officer, Barkote

- (a) Making a false statement or declaration
- (b) Past record of poor performance
- (c) Past record of abandoning the work half way/ resignation of contract.
- (d) Past record of in-ordinate delay in completion of the work.
- (e) Past history of litigation.

In case of the 1st lowest tendered or even the next lowest tendered withdraw in series one by one, thereby facilitating a particular tender for award, and then they shall be penalized with adequate disincentives with forfeiture of E.M.D. unless adequate justification for such back out is furnished. Appropriate action for black listing the renderers shall also be taken apart from disincentivizing the tender.

62. The authority reserve the right for payment subject to availability of funds in concerned Head of account.

63. **PROVIDING FACILITIES TO THE ENGINEER CONTRACTOR:**

- (a) As per works Department No.FR 11/2001/10003/00 BBSR, dt.24.05.01, 5% price preference allowed to the Engineer Contractor in the tender rates has been withdrawn.
- (b) Exemption of E.M.D. to the Engineer Contractor will be allowed for a maximum of three works in a financial year for participating in the tender and the fact of participating with exemption of E.M.D. should be entered in the original Registration Certificate of the Engineer Contractor.

64. The GST will be deducted from the work bill as per applicable.

65. Prevailing rate of GST on the gross amount of the bill will be deducted from Contractor's bill.

66. Under no circumstances interest is chargeable for the dues or additional dues if any payable for the work.

67. The Contractors are required to pay royalty to Govt. as fixed from time to time and produced such authenticated documents in support of their payment as royalty, along with their bills. Failing which, the amount of royalties of different materials as utilized by them in the work will be recovered from their bills.

68. The contractor shall be responsible for the defect liability period for one year from the date of completion of the Project.

69. The terms and conditions stipulated are comprehensive but not exhaustive. All other terms and conditions as laid down in OPWD Code Vol. I, II and. Circular in force shall also be applied for selecting a tender for award of work.

70. S.C/S.T contractors should pay Earnest Money 50 % along with the attested copies of the caste certificate and an undertaking in shape of affidavit that he has not avail the concessions for more than three times in the current financial year 2025-26. If the tender of the S.C./S.T. contractor is within 10% of the rate quoted by the lowest tenderer for the work, the same will be considered for awarded to him/her at the lowest tender rate. Any amendment order noticed by the Government must be enclosed by the contractor to get the facilities in the tender.
